Head of School: Mrs Maria Allen

Dear Parents/Carers,

As part of our Trinity Croft mission, to provide all of our children with learning experiences that inspire, we have arranged for *Professor Bubbleworks* to visit our school on **Friday 27<sup>th</sup> January** and provide the children with a hands-on, science day. Each class, from Foundation 2 to Year 6, will enjoy a 40-minute science workshop that is designed to amaze!

The aim of the experience is to motivate children to think scientifically about the world around them, provide them with first-hand experiences and inspire a love of STEM (science, technology, engineering and mathematics).

As I am sure you can imagine, such an immersive day does come at a cost and so we would kindly like to ask for a voluntary donation of £2. This money will ensure that we can continue to deliver immersive and exciting learning days like this in the future.

Thank you for your continued support to our school and to the children's learning. I am positive that the children will love the day and I hope that we are able to inspire some of tomorrow's scientists!

With thanks,  
Ms B Davis  
Class 2 Teacher  
Science Subject Leader
